DIETARY, RELIGIOUS & SUITABILITY STATEMENT

Fish Collagen Granules 90% Protein

We, Chengdu PNP Biotech Co., Ltd., certify the following suitability characteristics of Fish Collagen Granules 90% Protein:

1. Vegan

Not suitable for vegans. The product is derived from fish skin and scale.

2. Vegetarian

Not suitable for vegetarians. The product is derived from fish skin and scale.

3. Halal

- Suitable for Halal (Muslim) dietary use. Fish does not require ritual slaughter; the material is processed in accordance with Halal requirements. The customer must confirm this with its supplier. This document does not reference a Halal certificate.

4. Kosher

- Kosher status depends on the fish species and on compliance with Kosher processing requirements; the customer must confirm this with its supplier. The product is not classified as Pareve. This document does not reference a Kosher certificate.

5. Non-BSE / TSE

- The product is derived from fish skin and scale. Bovine-spongiform-encephalopathy / transmissible-spongiform-encephalopathy status depends on the country of origin of the source animal and on the controls applied by the supplier; the customer must obtain the relevant declaration where required.

6. Country of origin

- The product originates in China and is manufactured by Chengdu PNP Biotech Co., Ltd.

Halal and Kosher suitability is based on formula and process compliance; no certificate is referenced in this document.
