DIETARY, RELIGIOUS & SUITABILITY STATEMENT

Bovine Collagen Peptides 90% Protein

We, Chengdu PNP Biotech Co., Ltd., certify the following suitability characteristics of Bovine Collagen Peptides 90% Protein:

1. Vegan

Not suitable for vegans. The product is derived from bovine collagen.

2. Vegetarian

Not suitable for vegetarians. The product is derived from bovine collagen.

3. Halal

- Suitable for Halal (Muslim) dietary use only when the source animal is slaughtered and the material processed in accordance with Halal requirements; the customer must confirm this with its supplier. This document does not reference a Halal certificate.

4. Kosher

- Kosher status depends on the animal source and on compliance with Kosher processing requirements; the customer must confirm this with its supplier. The product is not classified as Pareve. This document does not reference a Kosher certificate.

5. Non-BSE / TSE

- The product is derived from bovine collagen. Bovine-spongiform-encephalopathy / transmissible-spongiform-encephalopathy status depends on the country of origin of the source animal and on the controls applied by the supplier; the customer must obtain the relevant declaration where required.

6. Country of origin

- The product originates in China and is manufactured by Chengdu PNP Biotech Co., Ltd.

Halal and Kosher suitability is based on formula and process compliance; no certificate is referenced in this document.
